PET POEM + PHOTO COMPETITION

Juno

Gracie Ruddenklau, Age: 9, Five Forks School.
 My Dogs name is Juno
 She's lost one leg don't y' know
 She goes to the vet a lot
 She can be annoying but she's not,
 She can be a twit
 But we love her quite a bit,
 She loves to chase me
 She's energetic can't you see,
 She's always got a smile on her face
 She gets muddy and is quite a disgrace,
 She is quite smelly
 She should be on the telly,
 She's a survivor dog
 And she's not a hog,
 She's a survivor dogg!!
 Soo that's Juno

WEBER BBQ
 FOR SCHOOL

Cotton's Corner

I love this time of year when the Christmas tree goes up. I have an endless supply of tinsel and toys to play with. The staff get a bit grumpy with me helping myself to the tree decorations but they never seem to stay mad too long. We have loads of pet stockings and gifts here ready for some lucky pets out there....send your humans in to grab you one so you are not left out come Christmas Day.

We are open most days over the holidays and even when we are not, my vets come in and check on their patients. So I am lucky, I will get fed, watered and cuddled everyday. Have you got somebody looking after you if your family goes away?

Merry Christmas everyone ...

WANTED Tiny Tigers

Our Tiny Tigers intake is underway where our Veterinary Centre takes on kittens that need a home. Prior to being taken on all kittens and the Queen (mother cats) need to undergo a health check. The kittens are then desexed and given a flea and worm treatment. They also receive their first vaccination prior to going to their new homes. We also require all queens to be spayed and offer a 25% discount when paid in full on the day.

Interesting Case Essential Holiday Advice 5 things to consider this Holiday Season!

Sarah Boys BVSc
Veterinary Centre Oamaru

• VACCINATIONS

Keep your pets healthy with a current vaccination, a must if leaving your pet in a cattery or kennel over the holidays. Routine flea and worm treatment is also advisable.

• MEDICATIONS

Don't let your pets prescription medication run out over the holidays, we need at least 24 hours to process requests. Also consider anti-nausea medication for longer trips.

• MICROCHIPPING

Don't lose your pet these holidays! Legally all domestic dogs should be microchipped, but you can also chip your cat.

• HEATSTROKE

Make sure your pets don't overheat - especially if traveling in the car. Make frequent stops and NEVER leave your pet unattended in a hot car. Always have access to water and shade.

• JUNK FOOD

Keep all chocolate, wrapping, cakes, ribbons, string etc away from your pet! These should be kept for the humans of the family!

don't forget about us this holiday season!
