## Cotton's Corner

I love this time of year when the Christmas tree goes up. I have an endless supply of tinsel and toys to play with. The staff get a bit grumpy with me helping myself to the tree decorations but they never seem to stay mad too long. We have loads of pet stockings and gifts here ready for some lucky pets out there....send your humans in to grab you one so you are not left out come Christmas Day.

We are open most days over the holidays and even when we are not, my vets come in and check on their patients. So I am lucky, I will get fed, watered and cuddled everyday. Have you got somebody looking after you if your family goes away?

Merry Christmas everyone ...

# ESSENTIAL HOLIDAY ADVICE

## 5 things to consider this Holiday Season!

- VACCINATIONS**  
Keep your pets healthy with a current vaccination, a must if leaving your pet in a cattery or kennel over the holidays. Routine flea and worm treatment is also advisable.
 
- MEDICATIONS**  
Don't let your pets prescription medication run out over the holidays, we need at least 24 hours to process requests. Also consider anti-nausea medication for longer trips.
 
- MICROCHIPPING**  
Don't lose your pet these holidays! Legally all domestic dogs should be microchipped, but you can also chip your cat.
 
- HEATSTROKE**  
Make sure your pets don't overheat - especially if traveling in the car. Make frequent stops and NEVER leave your pet unattended in a hot car. Always have access to water and shade.
 
- JUNK FOOD**  
Keep all chocolate, wrapping, cakes, ribbons, string etc away from your pet! These should be kept for the humans of the family!
