Cotton's Corner

Boy the years fly by! It's senior health check time again and this is the fourth year I qualify. It's actually a very good idea to have these checks though, your people can help prevent some pretty serious health issues developing by catching any early symptoms at these visits plus how amazing is this deal with everything you get for only \$99?!

So if you are now in your 'golden years' get your people to pop you into your local blue cross clinic this month to take advantage of this furrstastic deal!

TOGETHER WE CAN
THROUGH VOLUNTEERING

Good on ya!
Legend

National Volunteer Week was last month and we just wanted to give a shout out to all the people who give their time selflessly to volunteer at clubs, organisations and events within our communities.

The Veterinary Centre are pleased to be able to give back to our community through the support of these events, groups and organisations ...
